Beef & Noodle Dinner

The March Beef & Noodle dinner was a success. With the total guests down from February's total. WE had a good turn out of club members who worked the dinner. That makes working easier for all. Let's make

the last Beef and Noodle Dinner bigger and better. This years dinners are our best dinners so far, keep up the good work.

Coulter Family

Rich Coulter fell at work and injured his shoulder but is still working. Both Rich and Lynn have very bad colds and did not attend the last beef and noodle dinner. Daughter Sonia had to have emergency surgery and is at home resting. She has been rescheduled for another surgery as soon as she heals from the first surgery. Please keep the Coulter family in your thoughts and prayers. We need them for out upcoming show season.

MUSING WITH STU....

With the show season upon us, I have to bring up the topic of sponsorships of our Spring Show. We are looking for sponsors. We have only one sponsor so far, Thanks Cindy. It cost about \$50.00 to sponsor a class. We have 33 classes to sponsor so you can do the math. There are some classes that do not have paybacks, but we still have to pay for the use of the fair grounds and other equipment. The cost of renting the fair ground is \$400.00 per our two events. We have done well at our beef and noodle dinners but that goes only so far. Therefore we will need sponsorships to help bridge the gap in expenses. Any person or Company that sponsors will get their name in the show bill as sponsor and we will have their name posted on our web page for the year and announced at the show. It will cost about \$1200.00 to cover all of the costs to put on the

show. The club has worked very hard this off season but we need you once again to step up and collect at least one or more sponsors. The sponsorship does not need to be \$50.00, it can be any amount but we need to gain their sponsorships. We need to have these sponsorships at the May meeting with name and address so that we can list them on the sponsor show bill and send them a thank you letter. We will have sponsorship forms at the April meeting. Many of you will be getting your horses ready for the show, but we really need your help collecting.

On April 16 the Bar None is helping the 4-H Horse and Pony Club with the educational needs. The Club is covering four topics, trailer safety, barn & fire safety, helmet safety, and ground working their horse safely. This will be held at the Exhibit Hall starting at 6 pm. Come and join us.
